REF NO: 005589

 4 Bedrooms

 4 Bathrooms

A lavish VILLA in this picturesque village surrounded by some of the most spectacular country and far reaching sea and valley views. This property is nonetheless located in close proximity to the ferry making it easy to cross over to the main island of Malta, and within easy access to the beach and all amenities. This fully detached Villa has been renovated to high standards whilst still retaining the charm and character of a traditional Gozitan home. Accessible through a little private lane, a large carport leads up to the property where you find a bright hallway leading to a lavish sitting area which opens up to one of the numerous terraces, some of which are covered. A separate dining room enjoys the same terrace together with a fully equipped kitchen. Further complementing this level is a bedroom and a shower room. On the first level are 3 spacious bedrooms (all having their own fireplace and bathroom en-suite). Two of the bedrooms lead out onto a fabulous sea-facing terrace with sun beds and enjoys unparalleled views all round. Complementing this absolutely stunning property is 160sqm private swimming pool surrounded by an amazing deck and garden with a barbeque area and wonderful spaces ideal for entertaining whilst enjoying the most spectacular country views.
