 4 Bedrooms

 3 Bathrooms

This 4-bedroom residence offers three ensuite bedrooms, with two situated on the top floor. The first top-floor bedroom features an expansive walk-in shower and toilet, while the second boasts a generous walk-in shower alongside a bathtub and toilet. The ground floor houses two additional bedrooms, one with a shower and toilet. The ground floor also hosts a guest bathroom with just a toilet, a spacious hallway, and interconnected living, dining, and kitchen spaces. Outside, the property features an expansive landscape with both turfed and unturfed areas, encompassing a large private pool surrounded by 8 deck chairs on a private decked space. The outdoor amenities include a full wood-burning oven and BBQ. Additionally, there's a complete outdoor bathroom with a shower and toilet, along with an extra outdoor shower. A dedicated children's play area completes the outdoor space, featuring swing sets and a full treehouse with a balcony and slide.
