 7 Bedrooms

 7 Bathrooms

An authentic townhouse offering an excellent blend of traditional features and modern conversion situated just off the popular promenade and close to restaurants, cafes shops and all amenities. This exciting property is spread over 4 floors offering flexibility with configuration of bedrooms and living spaces. The converted basement open plan has a modern kitchen and a spacious open plan area for a sitting/dining area enjoying an active wood fireplace and beautiful stone features. The open plan leads onto a study/library area and shower room and guest toilet. The ground floor opens up onto three rooms (one with en suite) with the option of an additional sitting area or bedrooms and a guest toilet, the ground floor also leads out onto the private internal yard. The stunning traditional staircase leads onto the first floor offering 3 double bedrooms each with their own en suite, the second floor then opens up into a top bedroom and separate shower room and additional room which can be utilized as a laundry, office or another bedroom. The second floor then enjoys access to the spacious roof terrace ideal for outdoor living, lounging and BBQ's. Expertly converted with a stylish mix of materials and soft furnishings, a unique property opportunity.
