This is a fantastically located two bedroom DUPLEX PENTHOUSE nestled in the heart of Sliema. A very nicely finished and furnished home, forming part of a block of only 4 residential units. Both the reception area and sitting/dining/living enjoy sea, Manoel Island and old city views. The first level welcomes you to a large open reception area which could be furnished as an informal sitting and TV room. Also on the first level is a good sized double bedroom and single bunk bed room, store room and main shower room. the open stairway leads to the second and top floor of this property and opens out to the well lit and spacious sitting/dining and fully fitted kitchen also comfortably furnished with a guest wc on this top level. A great home in a great location. Unusually ample space to be enjoyed for the value.
