This exquisite newly built penthouse that epitomizes luxury and elegance. Nestled in the vibrant heart of Sliema, this remarkable residence offers an array of amenities right at your doorstep. From the finest shops, cafes, and restaurants to supermarkets, salons, recreational activities, and bustling bars, everything you desire is within walking distance. Upon entering this prestigious penthouse, you are greeted by a sense of opulence and attention to detail. The expansive open-plan kitchen, living, and dining area immediately captivate with its flawless design and impeccable finishes. No expense has been spared in creating a space that showcases the epitome of high-end living. The custom kitchen boasts both style and functionality, providing ample storage and convenience. The breakfast area doubles as a chic work station, complete with power outlets and USB ports, seamlessly blending elegant design with practicality. Bathed in natural light streaming through the lift and slide, double-glazed doors, the living area opens onto a generous terrace, offering breathtaking sea views. Adorned with a smart TV and commissioned paintings, this space exudes a warm and inviting ambiance, striking the perfect balance between homeliness and grandeur. Ingeniously concealed cabinets discreetly house a utility room, ensuring both form and function harmonize effortlessly. The penthouse features 3 spacious double bedrooms, each thoughtfully designed to offer abundant storage. Custom-built with drawers, shelves, hanging compartments, and even extra-long hanging compartments for your cherished long dresses, every bedroom embodies style and functionality. All bedrooms are en-suite, with one boasting his and hers showers, supported by a dedicated water pump installed exclusively for the apartment, ensuring consistent and robust water pressure. Stepping onto the back terrace, you'll be greeted by an enchanting view of a lush garden. Here, an additional living room awaits, creating the perfect space for a home office or an extra bedroom. Complete with its own TV and a comfortable sofa bed, this room seamlessly combines practicality with relaxation. This penthouse represents a remarkable fusion of engineering, style, and convenience, transcending its price tag. A must-see for those seeking a luxurious lifestyle in one of Malta's most coveted areas. Plus, it's pet-friendly, allowing you to share this exceptional living experience with your furry companions.
