

Located in one of Sliema's only unspoiled streets, the house consists of a living room, a separate kitchen, guest bathroom and yard on the ground floor. On the first floor one finds a double bedroom with en suite facilities together with a terrace overlooking the yard, and a second living room which may be used as a third bedroom/playroom/office. On the upper floor one finds the main bedroom with en suite facilities and a sun terrace. Highly recommended!
