

This house is a Maltese traditional, three-bedroom townhouse offering side sea views and conveniently located just a stone away from the popular promenade, beaches, and prime shopping areas. On the ground floor level there is a welcoming room upon entering, a guest bathroom and an open-plan kitchen/ living area leading onto a backyard suitable for wining and dining. The main staircase leads to the first and second floor, with the first floor accommodating two large double bedrooms, one of which has en-suite facilities, and another main bathroom. On the second floor, there is a third large double bedroom with ensuite, and an open plan study area which opens up onto a private roof terrace. Additionally, the house is flooded with natural light thanks to a skylight in the center of the home and high ceilings.
