This exquisitely stylish property emerges in the market, embodying both elegance and move-in readiness. Presenting a rare chance to own an impeccably furnished top-floor semi-detached apartment, this residence basks in abundant sunlight. The allure extends to a generously sized communal pool, garden, and expansive deck area. The apartment's layout encompasses a welcoming foyer, a combined living and dining space, a fully equipped kitchen with a breakfast bar, three bedrooms, and two bathrooms, one of which is an en-suite. Ascending to the upper level reveals a capacious private living room with captivating panoramic views. At street level, a two-car lock-up garage with a driveway awaits, accompanied by supplementary rooms ideal for storage or practical needs. This hidden treasure of a property, conveniently located minutes away from St. Georges Bay, demands immediate viewing.
