This luxurious apartment within one of Malta's most in-demand Special Designated Area developments, Tigne Point. This spectacular residence boasts 3 double bedrooms, 2 lock-up garages, a home sauna room, private outdoor terraces, marble flooring and spacious, open-plan living spaces. With an ample 230 sq.m. floor area, the multitude of windows and open apertures within the property open up the interior and illuminate it with natural light, allowing the sun's rays to bounce off of the glass surfaces in a play of light. The property and residential swimming pool are easily accessible by elevator from the underground parking facilities. This property is completed with luxury finishes, central heating and air conditioning throughout, custom-made furnishings, a designer kitchen, state-of-the-art appliances and clever storage solutions.
