€ 8,000 Monthly

REF NO: 006267

A beautiful Heritage building being offered newly converted to high standards, for either residential or office purposes and located on a lovely street in Malta's UNESCO Capital, Valletta. Having an imposing façade with brand new Maltese balconies and upper level open balconies allowing side sea views, also retaining many original features, with overall floor areas measuring 300 sqms approx, served by a passenger lift and having a wonderful roof terrace. The conversion has been very carefully and professionally planned and executed, under the watchful eye of it's present owner, giving full attention to detail. Kindly contact us for further details and viewing appointment.
