A rare opportunity to acquire a recently renovated GUEST HOUSE in the heart of the European Cultural City 2018. With its seamless fusion of vintage charm and contemporary design, guests will discover a host of treasures. This 16th century stately residence gives guests the chance to immerse themselves in the unique atmosphere of each luxury room, individually designed by a French artist. The house consists of 4 bedrooms : a quadruple suite, triple suite, a double bedroom and a twin room, all with private en-suite bathroom, air-conditioning and desk. All rooms boast award-winning designer furniture which allows the space to be modified according to the number of guests and their preferences. The property also includes a kitchen, TV area and dining area to make you feel truly at home.
