A most magnificent 17th century PALAZZO boasting exceptional architecture and prestigious historical significance. Gracing 5500 sqm, this one-of-a-kind residence enjoys an abundance of original Maltese architectural features including stone works, wooden beams, beautiful frescoes and a vaulted arched entrance hallway. Property layout offers ample entertaining space, consisting of an old theater, 'sala nobile' and approximately 35 other rooms, most of them equipped with log fireplaces and featuring Maltese-style balconies offering gorgeous garden views. The outdoor area boasts a large mature garden surrounded by beautiful olive trees, shrubs and plants as well as many authentic features including stone pathways, canals, an antique pond, and a stone Gazebo. This charming property has lots of potential, with the possibility of adding a large garage and ample storage area. Must be viewed to be appreciated!
